Seabed Mining Update in PNG

1. PNG Government through **Conservation Protection Authority (CEPA)** gave Nautilus Minerals **Environmental permit** in **2008** and **Minerals Resource Authority (MRA)** gave the **mining license** in **2011**
2. Nautilus Minerals company was declared **bankrupt** in 2019 because there is a growing concern from Local, National, Regional and International stakeholders.
3. Former PM **Peter O'Neil** labeled the seabed mining project as a **Failed** project costing more than K375 from PNG Government
4. Prime Minister **James Marape** supported the call for a Moratorium in 2019 during the Pacific Island Leaders forum in Tuvalu
5. There is now a new **Joint Venture Company** that have bought off Nautilus Minerals Assets
6. These Joint Venture Company is known as **Deep Sea Mining Finance Ltd and Sustainable Mining Solutions**
7. On the 04th of October the new Joint Venture Company met with the **New Ireland Provincial Administration**
8. This new company is planning for a consultation visit to the **Coastal Area of Benefits (CBA)**
9. The stance of the Alliance of Solwara Warriors who have been representing the local communities is for the Cancellation of all Existing License
10. This call is supported by some of these countries who have made their stance clear to stop seabed mining. These countries are; **Fiji, Samoa, Palau, Federated States of Micronesia, New Zealand, France, Germany, Spain, Costa Rica, Panama, Ecuador and Chile**
11. **The PNG Council of Churches, Lutheran and The Catholic Church Catholic** through **Caritas PNG** has been calling for a Ban on Seabed Mining. This call has been supported by **Cardinal Sir John Ribat** who have been very vocal on this issue..
12. Ask your **Local MP, ward member and LLG President** about their stance on seabed Mining
13. This message is to keep you all abreast on the latest development surrounding the issue of seabed mining.
14. We humbly request you all to be stand in solidarity and put our thoughts together to stop this project because as Coastal Communities our livelihood depends on the sea.
15. The ocean and sea is our source of food, it is our garden that caters for our needs.
16. **We must all stand in solidarity just like what we have done to remove Nautilus Minerals.**
