

THE DTP SONG

(Sung to the tune of the children's song "This old man . . .")

Human rights. Human rights.
Keep the peace and stop the fights.
Bangladesh, Malaysia
Pakistan too.
Human rights are good for you.

DTP. DTP.
Human rights for you and me.
Indonesia, Philippines
Myanmar too.
Human rights for me and you.

Human Rights, Human Rights
Stop the abuses and turn on the lights
Cambodia, Nepal, Laos
and Papua too
Human Rights are coming to you

TNCs, TNCs
Stop exploiting the IPs
NGOs can learn the way
To keep them straight and true.
Human rights in business too.

We have come, flags unfurled,
To this course to change the world.
~~Leap around Darwin town~~ All together in Khmer Surin,
~~Like a kangaroo.~~ Remember women too.
Human rights are good for you.
